February 2024 Newsletter

DIRECTOR'S MESSAGE

We had a very beautiful January filled with mild weather it almost makes us wonder what February will bring. We are looking forward to Valentine's Day and though it is not mandatory, families are welcome to bring Valentine's to daycare if they choose to! There has been a lot of change recently within the centers we've moved some staff around to allow for staff to grow and learn together and to give the children some new perspectives as well. We are looking forward to the February break and to seeing our school age group for the week we know the staff at site 3 have been making big plans and we are always excited to see what they come up with, here's hoping the weather hold's out and we can spend a lot of time outside!
