August Updates

Dear MDC Families,

August has arrived and with it, more sunshine, laughter, and outdoor fun! Our children have been thoroughly enjoying time outside—whether it's water play, nature walks, or just soaking up the summer air. We're making the most of the beautiful weather while keeping a close eye on the air quality due to smoke in the area. Ensuring the health and safety of all our children and staff remains our top priority.

Thank you to all families for keeping up with supply requests! Outdoor time has been a blast thanks to your continued support. And there's more fun ahead—many exciting excursions are planned for the rest of August, so please check the Lillio app regularly for updates and photos of your child's latest adventures.

I also want to extend another huge thank-you to the amazing volunteers still hard at work completing the projects from the June Working Bee organized by Stephanie Yelland. The improvements have been a big hit with the children, and we're so grateful for your continued dedication.

Looking forward to finishing summer strong and heading into fall with joy and community spirit!

August Announcements

OUTSIDE PLAY & SAFETY REMINDER

Please ensure your child arrives with the following every day:

- Sunhat
- Outdoor shoes
- Change of weather-appropriate clothing

We are monitoring the smoke and air quality daily and will move play indoors if conditions are unsafe. Thank you for helping us keep the children safe and prepared.

CALENDAR SUBMISSIONS NEEDED!

We are currently collecting September and October calendars, and ask that all families submit their forms by August 15th. This helps us organize schedules, plan staffing, and ensure smooth transitions as we move into the fall months. (Paper copies available at each location as well).

A big thank-you to everyone who submitted their summer calendars and has kept us informed of unplanned absences—your communication really makes a difference!

We will begin transitioning back to Site 3 starting after Labour Day when the school year begins. Thank you so much for your continued patience and flexibility as we made some unexpected changes to our summer plans this year. We're looking forward to getting back into the space and settling into our regular routines for fall.
