## September 2024 Newsletter

### DIRECTOR'S MESSAGE

It seems summer time has come to an end and now our attention turns to fall and back to school. I'm sure as parents there is a ton of mixed emotions surrounding this time of year sometimes, we are happy to see them back at school but also sad that the children are growing up so fast!

Fall will bring cooler weather and different holidays but we hope to keep getting outside as much as we can and always enjoy watching the staff plan different activities as the seasons change.

We will miss the hustle and bustle of Site 3 during these busy summer months but we hope everyone has a fantastic year at school!

## REMINDERS

Please keep your children home if they are feeling unwell, as cold/flu season approaches we want to try to keep everyone as healthy as we can!

Please ensure your children have extra clothes at daycare in case of accidents, spills or unexpected messy play

As the weather changes please make sure your child has appropriate outdoor wear

Please call or message the daycare if your children will not be in attendance for the day or will not be riding the busses after school!

Kindergarten families please ensure the daycare has your child's schedule and you inform us if your child is riding the bus, if we don't hear from you we will assume your child is not on the bus and will not be responsible if they don't get off.
